Re: Friends for Harry Reid, Year-End 2004 report

Dear Ms. Dachik:

The Committee is amending its Year-End 2004 report because our cash on hand at the beginning of the report was wrong. As you noted in your letter dated March 16, 2005 our cash on hand did not match the ending balance of our previous report, our amended Post-General report.

Thank you in advance,

Holly Giarraputo
Comptroller and Assistant Treasurer
Friends for Harry Reid
